Subject: Promotion of agricultural products: invitation for participation in the business delegation accompanying Commissioner Hogan in his trade mission to China and Japan, 16-22 April 2016

Dear Madam, Dear Sir,

As already announced, Commissioner Hogan will be visiting China and Japan in the period 16-22 April 2016 accompanied by a limited delegation of senior representatives of European companies/producer organisations. This trip will combine official visits by Commissioner Hogan to the relevant Chinese and Japanese counterparts, and promotion activities attended by the business delegation, such as seminars, business-to-business meetings and media events.

We would like to ask you to **suggest candidates from your member organisations interested in participating in the business delegation.** Senior level representatives from both producer organisations and individual companies from key sectors in the EU trade with the two countries (such as, but not limited to dairy products beef/veal, pork, wines and spirits, processed agricultural products and products bearing a geographical indication) are welcome to take part.

Participants are expected to attend the whole programme which lasts 6 days: China – April 16-19 and Japan - April 20-22. The mission will start with a visit to Shanghai (16 and 17 April), followed by Beijing (18-19 April) and Tokyo (20-22 April).

Participants are expected to give presentations and speeches during business seminars and press events. The participants shall cover their travel and accommodation expenses. Please note that only one person per company/organisation will officially take part in the business delegation. Other representatives may accompany the group but might be refused to take part in certain events if the size of the group needs to be kept limited.

Interested organisations/companies are invited to complete the attached application form and send it by email to agri-promotion-business-delegation@ec.europa.eu by 15 February 2016. We will then be able to confirm participation by 1 March 2016. The decision on the composition of the group will be based on product and geographical balance of the delegation. Candidates are welcome to include a short description of their position on Chinese and/or Japanese markets, specific questions and problems in that relation, as well as their expectations from the visit (see annex).

For any questions, please write to the functional mailbox agri-promotion-business-delegation@ec.europa.eu or call Mr Nikos Chatzoudis of Unit B.5 in charge of organising this high level event (phone+32 229 85526).

A handwritten signature in blue ink that reads "Diego Canga". The signature is stylized with a large initial 'D' and a long horizontal stroke extending from the end of the name.
